Brief Bio of Prof. B. Yegnanarayana

Prof. B. Yegnanarayana is currently a professor of Computer Science and Engineering at the Indian Institute of Technology Madras (IIT Madras), India. He is with IIT Madras since 1980. Prior to joining IIT, he was a visiting associate professor of Computer Science at Carnegie-Mellon University in USA from 1977-1980. He was a member of faculty at the Indian Institute of Science (IISc), Bangalore, India from 1966 to 1978. He has received BE, ME and PhD degrees from IISc Bangalore, in 1964, 66, and 74, respectively. His research interests are in speech, image processing and neural networks. He has published several papers in these areas in IEEE and other international journals. He is also the author of the book *Artificial Neural Networks,* published by the Prentice-Hall of India, in 1999. He is a Fellow of the Indian National Academy of Engineering, a Fellow of the Indian National Science Academy, and a Fellow of the Indian Academy of Sciences.
